

RPP Grant 2020-2021

	9/29/20 - 11/31/20	12/1/20 - 2/28/21	3/1/21 - 5/31/21	6/1/21 - 8/31/21*	8/31/21 - 11/31/21	12/1/21 - 2/28/22	3/11/22 - 5/31/22	6/1/22 - 8/31/22
Activities:	Project Period 1				Project Period 2			
Develop and submit SPF-informed logic model, strategic plan (including evaluation), and project period work plan.								
Develop and submit a final project period budget and budget narrative								
Use a SPF process based on current project period activity implementation to assess activities for upcoming project period								
Enter an agreement with at least one common employer of young adults (e.g. hospitality, food service, and retail industries) to include substance use prevention and intervention information in their employee wellness programs. This may include an unfunded MOU or other documentation of capacity-building efforts.								
Review of and update at least 1 institution of higher education's substance use policy								
Plan and provide at least 1 LGBT youth-based social support program in partnership with Outright VT to build LGBT-specific community prevention services (e.g. Friday Night Programs and Parent/Caretaker Programs)								
Participate in no less than 4 training opportunities presented by RPP for prevention professionals and their partners, to include 1 statewide training provided by Outright VT.								
Meet no less than once per grant period with local RPP team including Prevention Consultant, District Director (as available), and key grant partners.								
Periodic reporting including successes, challenges, identified training or technical assistance needs, and any metrics required by SAMHSA		12/15/2020	(site visit takes place of reporting)	6/15/2021	9/15/2021	TBD	(site visit takes place of reporting)	TBD

*Reminder: I propose project period 1 be shorter than 12 months to align with the federal grant cycle. In this way, our reporting will be on schedule with the project period as well as annual funding announcements from SAMHSA.
