 Reconcile full vaccine inventory once during the indicated period. Place a COVID-19-only order after reconciliation if needed.

 Reconcile full vaccine inventory and place all-vaccine order. COVID-19 vaccine may be ordered as a part of your all-vaccine order only if minimum distributor quantities are met. If ordering less than the minimum, place a COVID-19-only order for Depot fulfillment once your all-vaccine order is approved. VIMs can only accept one order type per day.
